THE ART OF POSSIBILITY
International
Bestseller

"One of the most inspiring, practical, and uplifting books I have ever read. The very act of reading it with an open heart and mind will improve your health!"

— **Christiane Northrup, M.D.,**
Renowned physician and best selling author

"This is a wise, uplifting, and important work, a seamless blend of insight and inspiration, personal revelations, and stories drawn from the worlds of art, psychology, business, and politics."

— **Doris Kearns Goodwin**

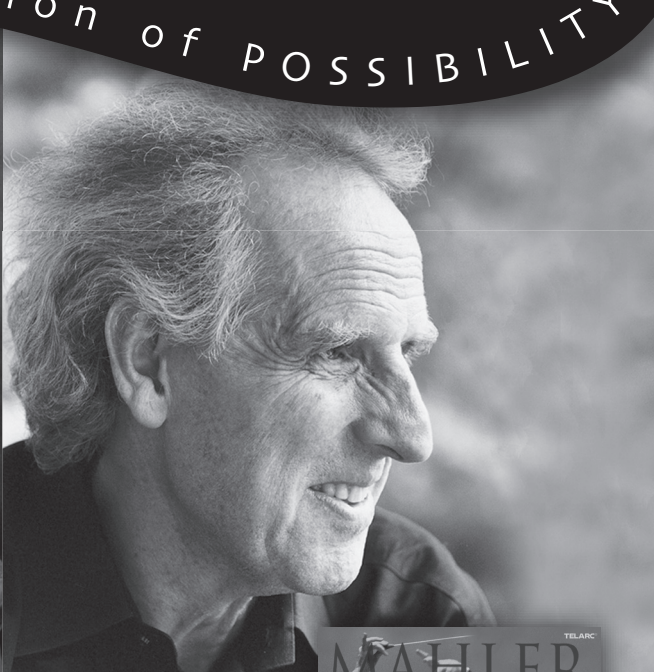

"I love this book. It is provocative, instructive, and uplifting. It is a boon to readers as a guide to their personal development, as well as a resource for helping them to lead others. *The Art of Possibility* is a gem."

— **Peter J. Frost, University of British Columbia**

The Art of Possibility makes a humane and brilliant future possible. I truly want everyone to read this book—it opens to us the treasure of our great human capacity for creativity. These practices are simple yet extraordinarily effective for tapping into the unlimited energy of the human imagination."

— **Margaret J. Wheatley,**
Leadership futurist and
organizational development expert

TELARC®

"Like a force of nature, Ben Zander moves people with his unbridled enthusiasm and lust for life."

— **Classic FM**

"This performance [of the First Symphony] is about as good as anyone can hope to hear...this is the freshest-sounding recording of [Songs of a Wayfarer] since the classic version by Dietrich Fischer-Dieskau and Rafael Kubelik was released nearly 40 years ago...."

— **Fanfare**

"Music lovers have not had so enthusiastic a guide into the mysterious world of classical music since the glory days of Leonard Bernstein."

— **High Fidelity**

"He is everything you could want in a teacher: well informed, insightful, humane, moving and genuinely enthusiastic."

— **Fanfare**

"Zander is plainly one of the conducting giants of our time...he keeps making me gasp for breath as he unfolds music afresh that I thought, after many many hearings, I already knew."
