

IN THE FACE OF DIFFICULTY, WE CAN DESPAIR, GET ANGRY, OR CHOOSE . . .

possibility

The dynamic product of an extraordinary partnership, *The Art of Possibility* combines Benjamin Zander's experience as conductor of the Boston Philharmonic and his talent as a teacher and communicator with Rosamund Stone Zander's genius for creating innovative paradigms for personal and professional fulfillment.

The authors' harmoniously interwoven perspectives provide a deep sense of the powerful role that the notion of possibility can play in every aspect of life. Through uplifting stories, parables, and personal anecdotes, the Zanders invite us all to become passionate communicators, leaders, and performers whose lives radiate possibility into the world.

"The Zanders' book of practices has made my life one of infinite possibility. . . . The implications for corporate and political life are extraordinary."

—Warren Bennis, author of *Managing the Dream* and *On Becoming a Leader*

"In the presence of either Zander, one's spirit soars. Now they reveal their secrets in a deeply satisfying book. I guarantee you'll be inspired."

—Gail Sheehy, author of *New Passages*

"One of the most inspiring, practical, and uplifting books I have ever read. The very act of reading it with an open heart and mind will improve your health!"

—Christiane Northrup, M.D.
